Re: MUR-4793

Dear Ms. Boyt;

This Letter is being is being sent in response to your letter of August 27, 1998 regarding MUR-4793.

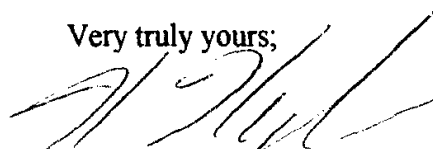

In the complaint neither my company nor myself, as owner, are mentioned. However, in an attached listing of contributions made my company is listed as having made a company contribution to my company is listed as having made a company contribution to Anthony Weiner. This donation was made in support of his race for City Council elective office in New York City.

My company had made no corporate contributions by either check or cash to any federal election race, including that of Anthony Weiner. This statement also includes that no political contributions were given to the Metropolitan NY Towing or Auto Body Assn. by company check or cash to use for donations to any federal campaign.

The association and its staff have made it quite clear that only personal checks can be given in support of anyone running for a federal elected office.

I hope this responds to your inquiry.

Very truly yours;

Nicholas Madio
President
